Quang Phan

Lifelong learner - problem solver - developer

Ho Chi Minh city, Vietnam

vnphanquang.com

vnphanquang@gmail.com

+84 33 869 7516

Developer

NOW

OPEN SOURCE

contribute to open source projects including tailwind, monkeytype, sveltekit to give back & connect with internaitonal dev communities

2022
2019

DESIGNVELOPER 🔗   HO CHI MINH, VIETNAM

Web & Software Developer

develop & maintain fullstack applications: improve UI & UX and enhance system scalability in close client-dev communication for international businesses among various industries including healthcare, education, energy management, social network

work extensively within the Typescript & Javascript ecosystem (Angular, React, Svelte, Tailwind, NestJS, ...) and Postgres; gain progressive experience in GraphQL, Rust, Go

Research and Community Participant

experiment & evaluate next-gen technologies (monorepo, state management, code generation, ...) to improve internal toolings and reduce dev effort; host workshops; support recruitment process

maintain open source projects including dry-axios (axios api service factory), ipp_encoder (Internet Printing Protocol)

2019

NODEXUS INC. 🔗   HAYWARD, CALIFORNIA

Software R&D intern - Nodexus circuit printer system

integrate & document core implementation for motor operations at micron and thousand-Hz precision (C, Python, Arduino, Pi)

Learner

2018

SAN JOSE STATE UNIVERSITY 🔗   SAN JOSE, CALIFORNIA

Research intern in Dr. Chester Simocko's team on
olefin metathesis polymerization

2019
2016

FOOTHILL COLLEGE 🔗   LOS ALTOS HILLS, CALIFORNIA

High Honors ASs in Computer Science, Mathematics, Chemistry

tutor at EOPS & PTT; staff assistant at International Student office

2015

HCM UNIVERSITY OF SCIENCE 🔗   VIETNAM

Biological Technology major; elected member of Students' Union.

TL; DR

- Team servant
- OSS contributor
- Researcher

Objectives

- Deliver scalable products and maintainable codebases in the spirit of Kaizen and empirical Agile practices

- Learn from and contribute to the cultural diversity and innovative values of the developer community

Certifications

- Professional Scrum Master
- (Foothill) PSME High Performance Achivement Award
- (Foothill) EOPS & PTT Certificates of Gratitude

Socials

Interests

- Reading
- Music Theory
- Cycling
